

# **The Singareni Collieries Company Limited**

(A Govt. Company)

## **VENDOR MEET FOR IDENTIFYING SUITABLE BIOMETRIC TECHNOLOGY FOR CAPTURING EMPLOYEES ATTENDANCE**

1. M/s. SCCL desires to procure suitable Bio-Metric Technology for capturing employees Attendance, to meet the following requirement.
  - i. SCCL is a Government Company producing Coal in South India.
  - ii. SCCL is extracting Coal from 35 Nos. of Underground Mines and 15 Opencast Mines.
  - iii. The Bio-Metric equipment should capture employees' "IN MUSTER" in the shift beginning and "OUT MUSTER" at the end of the shift, after employee attends work and come-out of the mine.
  - iv. Since it is coal producing environment, the atmosphere will be with the coal dust and employees after attending duty may be covered with coal dust.
  - v. The employees working in workshops, after attending the duty, their fingers may be covered with oil, grease, dust etc.
  - vi. Employees working in offices viz., Corporate office, Area GMs offices, Stores etc. should also be covered for capturing attendance through suitable Bio-Metric Technology.
  - vii. The Technology suggested should be capable of capturing attendance of minimum of 20 employees within one minute.
2. Vendors shall suggest suitable Bio-Metric Technology, to meet the aforesaid criteria and to operate successfully in the environment cited above, to capture employees IN and OUT Muster.
3. Vendors shall give Demo. of the equipment, covering all the aspects mentioned above.
4. The identified technologies will be implemented at Pilot Sites.
5. After successful implementation at Pilot Site, the same will be replicated at other Mines and Departments.
6. The firm should be OEM or Authorised Dealer of the Equipment. The Vendor has to specify the make of the Equipment.
7. Interested Vendors shall communicate their participation through e-mail to [gm\\_it@scclmines.com](mailto:gm_it@scclmines.com) on or before 10-03-2015.
8. Vendor Meet will be held at Video Conference Hall, SCCL Head Office, Kothagudem on 12-03-2015 at 10-00 AM.
