July 9, 1986

To  
The Secretary,  
Department of Coal,  
Ministry of Energy,  
Shastri Bhavan,  
New Delhi

(Kind Attn: Sri R.K. Sachdev, Director)

Subject: Environmental Appraisal of Godavari Khani.No.10  
incline Project, Singareni Collieries Co.Ltd.

Dear Sir,

This has reference to Department of Coal's O.M.No.  
CPR45011/1/84-CFA, dated 7th April, 1986, forwarding  
necessary documents for environmental appraisal of the  
above mentioned project.

The environmental issues related to this project  
proposal have been examined in this department and  
we hereby agree to grant environmental clearance to this  
project provided the following conditions are strictly  
enforced:

- a) The cracks which may develop <sup>at</sup> the surface  
due to subsidence as a result of the underground  
workings shall be kept moist all the time to  
prevent possibility of the mine fire.
- b) The various pollution control measures listed  
in the EMP shall be strictly implemented and a  
report regarding the implementation of these  
measures shall be submitted every six months  
to this department.

Failure to comply with any of the conditions  
mentioned above would result in withdrawal of the  
clearance granted hereby.

Yours faithfully,

Sd/-R.Mehta,  
Principal Scientific Officer.
