### Important point related to auction

- 1. Auction will be held in rounds. First round will be of 15 Minutes.
- 2. Subsequent round will be of 8 minutes.
- 3. Next round takes place only when there is over booking in the present round.
- 4. To participate in the subsequent round a buyer have to participate in all the previous rounds.
- 5. In case a bidder don't bid in the present round , then that bidder is not allowed to bid in the next round.
- 6. In every round, bid can be placed only once.
- 7. Bidders are permitted to bid within the limit of either EMD submitted or coal required in EUP which ever is lower.
- 8. A Bidder can not increase his bid in the next round i.e. the bidder have the option to either quote for same quantity or decrease the quantity.
