TERMS AND CONDITIONS FOR SUPPLY OF ROUND TIMBER

Important conditions for supply of round timber logs.

1. All the round timber logs to be supplied to SCCL should be more than 1.25Mtrs length and with under bark midgirth of 61-120Cms.
2. Each lorry load of round timber supplied to SCCL should contain at least 90% of timber logs between 61-120Cms girth.
3. All the round timber logs supplied to SCCL should have been purchased from any of the Government Timber depots and should submit proof of purchase.
4. Log wise details of entire round timber in each lorry load supplied to SCCL should be a part of the material purchased from Government timber depots and the details are to be submitted to Srirampur timber yard of SCCL(unloading Point), without which the material supplied will be rejected.
5. All the round timber logs in each lorry load supplied to SCCL, should be the part of the list of miscellaneous hardwood species enclosed (In Annexure).
6. Round timber logs other than the list of miscellaneous hardwood species mentioned will not be accepted.

RATE:

7. The rate quoted shall be on firm price basis and inclusive of loading of Round timber into Lorries at supplier's place and unloading and stacking at SCCL Stores/Timber yard, all taxes and incidental expenses.
8. No claim for reimbursement of any additional expenditure on account of increase in price of lubricants, spare parts of vehicles, wages payable to workers by the contractor etc., shall be allowed.
9. No waiting charges will be paid either at loading point or at unloading point if the vehicles are detained for any reason.

EXECUTION OF WORK :

10. Period of contract shall be one year from the date of award letter.
11. The supplier has to commence supply of Round timber from the date of awarding the work and completes the same on or before the time prescribed in award letter.
12. Miscellaneous hardwood Round Timber of the approved species, as mentioned in the award letter or in the annexure only shall be supplied.
13. The round timber should be cut with saw only on both ends. They should be sound and straight with eccentricity permitted in the specifications and free from defects like cuts, splits, spirals, twisted grains, boxed heart, borer attack etc.,

14. The entire quantity awarded shall be supplied to respective places as mentioned in the award letter within the stipulated time with 5% variation in quantity.
15. The company shall not in any way be liable to pay any compensation in case of loss, consequences of any strike, lock outs, shortage of labour/lorries, shortage of material tendered, fire, breakdown or accident of machinery, riots, instructions or restraints imposed by Govt. or act of legislation or other authority or by any reason beyond the control of the Company.
16. Each lorry transporting timber to SCCL shall be accompanied with invoice (with details of log-wise measurements, species, quantity etc.) in triplicate and timber transit permit as per the timber transit rules in-vogue at the time of delivery.
17. The supplier must arrange to mention the origin of supply and the quantity in each lorry clearly on the chalan/transit permit. The material must be unloaded and stacked at the timber yard so as to facilitate for inspection.
18. All the material not to the specifications of the contract will be summarily rejected.
19. The supplier or his authorized representative should be available at the SCCL stores/timber yard during inspection of the material as per the date and time informed to him. If not, the inspection shall be carried out as per schedule by SCCL itself, the result of which shall be binding on the supplier.
20. The supplier shall arrange men and material required for inspection of the material.
21. The supplier has to make his own arrangements for taking back the rejected material within 30 days of rejection from Company timber yard and Company shall not be liable for damage etc., of the rejected materials lying in the timber yard. If the same is not lifted within 30 days, the Company will confiscate the material and the supplier shall have no claims over the material.
22. Urgent supplies if required by the Company by way of sudden requirement must be made good within the short notice by telegram, telephone etc.,

PENALTIES:

23. If the supplier fails to supply the awarded quantity in full or as per the schedule given to him, SCCL shall arrange to procure the same from other sources additional amount incurred if any on account of this, shall be recovered from the bills/deposits of the original supplier or any other means available with SCCL.
24. Penalty for delayed delivery will be levied at the rate of ½ percentage of the value of undelivered quantity per week or part there-of with a ceiling of 15% of such value.
25. The supplier is liable for forfeiture of the whole or part of the EMD for non-supply of Round timber in time or for contravention of any conditions.
26. Advisor(Forestry) will be the authority to determine whether there is a failure on the part of supplier in supplying the timber. However the contractor has the right to appeal to Director (P&P), SCCL and his decision shall be final and binding on the contractor.
27. If the supply is not commenced as per the schedule given to him in the award letter and or through the executive instructions of the Advisor(Forestry) or his authorized representative, the contract will be terminated and the deposit paid by the supplier will be forfeited.

PAYMENTS:

28. The transport bills submitted by the contractor to the Area stores concerned will be scrutinized and passed within reasonable time and will be forwarded to the Finance and Accounts dept. for the purpose of payment. No interest shall be payable to the contractor on delayed payments if any. The bank commission charges shall be borne by the contractor incase the payment is made through DD on his request.
29. Payment will be released to the accepted quantities only.
30. Release of EMD: EMD will be released to the contractor after successful completion of work.

APPLICATION OF VARIOUS LAWS:

31. The contractor shall scrupulously follow and adhere to the various provisions of relevant laws applicable to the work and labour including payment of minimum wages to labour etc., amended from time to time, along with relevant G.Os.

The Company is in no way responsible for payment of any wages, remuneration or any other compensation arising out of any claims by the contractor's employees by court of Law or any Govt. or out side agency.
32. The contractor has to comply with all applicable rules of Forest department of Telangana and other states while transporting the timber. He and his employees will be responsible for consequences of violating any or all such rules.
33. The contractor has to comply with the transport rules and regulations and to carry the load not more than the Gross weight of the vehicle as per 'C'-Book under MV Act.
34. The supplier shall also follow the State provisions viz, GST,IT,TCS etc, if any from time to time as applicable.

SETTLEMENT OF DISPUTES:

35. Any dispute or difference of opinion arising between the Advisor(Forestry) or his authorized representative and the contractor in respect of the execution of the contract or anything connected with the work, not specially provided for herein under the specifications or in respect of the meaning of any clause of these terms and conditions shall be adjudicated by the arbitrator nominated by C&MD., of SCCL for the disputes costing up to Rs.50,000/- and shall be binding on all parties without any reference or appeal to any other person whatever.

The parties arising the dispute shall request the C&MD of the Company to nominate an Arbitrator. If C&MD of the company does not nominate an arbitrator within one month of receipt of notice, the arbitration agreement automatically lapses. The parties have to approach 'CIVIL COURT' of competent jurisdiction as recorded above for deciding the claims.

However, the claims above Rs.50,000/- in value shall be decided by 'CIVIL COURT' of competent jurisdiction situated in Khammam, Karimnagar, Adilabad and Warangal districts and not by arbitration.
