

Expression of Interest

The Singareni Collieries Company Limited started mining of coal in the year 1889. It is the only Company producing coal in South India, with the spread over along the Godavari river in the districts of Komaram Bheem Asifabad, Mancherial, Peddapalli, Dr Jayashankar Bhupalpalli, Bhadradri Kothagudem and Khammam in the state of Telangana

As a company committed to creating better communities in and around the areas of our operations, The Singareni Collieries Company Limited has taken up corporate social responsibility very seriously.

In order to give impetus to the community developmental activities taken up by the company, **Singareni Seva Samithi** was formed with an objective of providing service for the benefit of dependants of employees, Ex-employees of SCCL, PAPs, PDFs and their families as well as un-employed youth in the communities in and around the SCCL operational areas, by providing vocational training and guiding the children to make them prospective candidates for various competitive examinations including Army/Police and Para Military Recruitments.

Till now Singareni Seva Samithi has been successfully conducting the following activities.

- 1) Vocational Training Programs for dependents.
- 2) Vocational Training Programs for PAPs & Locals
- 3) Employment generation programs through Empaneled Agencies / NAC / Grama Tarang etc.
- 4) Training for Army / Police / Para-Military forces recruitments.
- 5) Medical initiatives including medical camps, Alternative Medicine etc.
- 6) Literacy programs
- 7) Employment and Placement initiatives including establishment of Self Units.
- 8) Marketing initiatives – Exhibitions, Marketing stalls.
- 9) Awareness initiatives – Plantation, Socio-Environmental issues, Energy saving
- 10) Support to Special Schools
- 11) Other initiatives – Establishment of Libraries / Family days, Yoga camps etc.

Now that times have changed with the advancement of technology in various fields, it has been decided by The Singareni Collieries Company Limited to introduce, technology based new courses suiting to present and future technology trends under **Singareni Seva Samithi** activities, which may give employment opportunities or self-employment to un-employed youth of coal belt areas in the above districts of Telangana.

We observed that most of the un-employed educated youth are lacking proper communication skills and awareness on global business requirements because of their rural brought up and they need to be trained in personality development and to be exposed to emerging global trends of business world. The same to be focused on less educated un-employed dependents of coal belt areas also.

In view of the above, we are planning to partner with various agencies (both Govt. and Private) and also individual professionals in the relevant fields who have registered with National Skill Development Corporation (NSDC), Govt. of India and Mission for Poverty Elimination in Municipal Areas (MEPMA), Govt. of Telangana State and are willing to get empanelled with SCCL for a period of two years, to provide Training & Placements to unemployed youth of coal belt areas under **Singareni Seva Samithi** activities, as per requirement from time to time.

Please note that the trainings are proposed to be carried out at our operational areas as far as possible. For the courses which are not feasible to be carried out at our operational areas and they have to be taken up at Hyderabad, in such cases you have to provide suitable Boarding and Lodging to the candidates.

The following courses are proposed to be added into the activities of Singareni Seva Samithi:

1. Soft skills development (which includes, Emotional intelligence, communication skills, Making Decisions. Self-Motivation, Leadership Skills, Team-Working Skills, Creativity and Problem Solving Skills).
2. Personality Development.
3. Career guidance (awareness among fresh pass outs) and selection tests coaching.
4. Awareness programmes on Self-employment schemes.
5. Spoken English with foreign accent (voice modulation).
6. Training in android Software.
7. Vocational courses like Fitter, Electrician, Welder, Plumber, Motor winding, Domestic electrical wiring, Land Surveyor, Computer Hardware & Networking skills, Laptop & Cell phone repairing, Lathe machine operating etc.
8. Auto mobile mechanism (Two and Four wheeler repair mechanism etc.)
9. Auto Cad and Architecture (planning and designing)
10. Quantity Surveyor
11. Fashion Designing
12. Accounting packages
13. Air ticketing packages, Air Hostess and Pilot training.
14. Fire & Safety
15. First Aid training
16. Pre-Primary Teacher Training
17. Catering Management
18. **Women Empowerment courses** including Jute bag making etc.
19. Pickles, Papad etc. (swagruha homemade foods)
20. Training in Tie & Dying / Block & Batik printing.
21. Training & Placement in other courses.
22. Photography & Videography

Interested parties with relevant experience in any of the above fields are invited to register themselves to participate in a preliminary meeting likely to be held at Singareni Bhavan, Red hills, Hyderabad on 24.05.2018 is postponed due to administrative reasons. The next date will be informed to your emails.
