The Singareni Collieries Company Limited (SCCL) is a Government coal mining company jointly owned by the Government of Telangana and Government of India on a 51:49 equity basis. The Singareni coal reserves stretch across 350 km of the Pranahita – Godavari Valley of Telangana. Coal Mining in SCCL was started in the year 1889 with a production of 0.06 Million tons. The production reached to 64.40 Million tons during the year 2018-19. SCCL is currently operating 18 opencast and 28 underground mines in 6 districts of Telangana State i.e., Komaram Bheem, Mancherial, Peddapalli, Jaya Shankar, Bhadradi Kothagudem and Khammam with the human resource strength of around 46500.

In mining operations, various equipment such as a) Winding Engines and allied structures, b) Haulage Engines, haulage ropes and Men transport systems, c) Chair Lift Men transport systems, d) Coal Handling and Conveying Plants, e)HEMM, Cranes and Lifting equipment are used extensively. Structural stability and integrity of all these components and its foundations need regular monitoring and testing to identify defects and to prevent failure for safe operation.

SCCL proposes to procure the following portable and handy testing equipment for conducting NDT for the above equipment:

1. Magnetic Particle Testing Equipment
2. Ultrasonic Testing Equipment
3. Wire Rope Defectography Equipment
4. Allied equipment, instruments and accessories

In view of the above, SCCL invites Expression of Interest (Eoi) from manufacturers, firms, suppliers and agencies having requisite technical know-how, experience and expertise for supply ,training and maintenance of the above testing equipment for conducting NDT on different components of the equipment installed at various sites of SCCL.

The interested agencies are requested to submit the EoI along with documents supporting their financial and technical strengths, technical details of equipment for conducting NDT, profile of the agency and credentials.

The EoI shall reach the following address on or before 30/11/2019 by 3:00 PM.
