

## **The Singareni Collieries Company Limited**

(A Government Company)

Registered Office: Kothagudem Collieries – 507 101

### **“Expression of Interest- (EoI)”**

The Singareni Collieries Company Limited (SCCL) is a Government coal mining company jointly owned by the Government of Telangana and Government of India on a 51:49 equity basis.

2X600 MW Singareni Thermal power plant was established in Mancherial District and is in operation from 2016. STPP had the track record of achieving highest PLF and won Various Excellency Awards in Performance, Efficiency, Water conservation and Ash utilization. 10 MW Solar plant and 5 MW Floating Solar plant are installed at STPP and are in Operation.

Further installation of 10 MW Floating Solar plant and FGD is under progress at STPP and establishment of 1X800MW Thermal Power plant is under process. Plant is spread over 2000 Acres with a perimeter compound wall of 16 KMs.

Surveillance system plays vital role in monitoring of security in the plant that allows to protect huge value of materials in the plant, compliance of guide lines by all employees and contractors, improvement of Safety and security of employees, prevention of unauthorized movement of people and their activities

SCCL invites Expression of Interest (EoI) from the firms for the following activities:

- Solutions are requested for installation of “Surveillance System with a complete set of CCTV Cameras and related accessories”.
- Supply, installation, testing, commissioning, maintenance and post-sale support at the site
- Compatible Long Range Night Vision Outdoor cameras to cover all the Plant Entry / Exit gates, Truck Parking and loading points, vital locations within plant, Junctions within township and vulnerable points along the perimeter of STPP Plant compound wall.
- Cameras are to be installed on poles with solar supported UPS.
- Establishment of suitable Servers at on-site premises.
- Compatible with Mobile device (Android/ iPhone) & operating system.
- The solution should be scalable with a provision for expansion.
- Solution includes AI based Video analytics and alerts generation.
- Establishment of Video wall.

The interested agencies are requested to submit their best solutions to the following address on or before 20.04.2023 by 5.00 PM.
